

Party Leader crashes Government Daylight Saving website

Minutes after an appearance by the Leader of the Daylight Saving for South East Queensland Party on the Brisbane produced Channel Ten news, the Queensland Government's Get Involved Daylight Saving consultation website crashed.

"It appears that after my interview on Monday night's Channel Ten news, the Get Involved website was inundated with people wanting to provide their feedback on Daylight Saving. That certainly suggests a lot of people were unaware of the current government consultation on Daylight Saving," Daylight Saving for South East Queensland Party Leader, Jason Furze, said.

During the interview, Mr Furze voiced his concerns about the lack of public awareness of the Queensland Government Daylight Saving feedback website. The www.getinvolved.qld.gov.au website has been set up to cater for public consultation on Daylight Saving.

"I would encourage supporters of Daylight Saving to log onto the feedback website www.getinvolved.qld.gov.au to register their support for Daylight Saving in South East Queensland," Mr Furze said.
